

# NATURE'S NETWORK, SUSTAINABILITY AT DYKA GROUP

We are living in an everchanging world where we as DYKA Group provide added value solutions for growing needs related to urbanization, a massive energy challenge, an increasing scarcity and abundance of water, climate change and a greater demand for a more comfortable, healthy and safe lifestyle. We have clustered our sustainability program in three key focus areas, covering multiple SDG's.

## OUR PROGRAM IN A NUTSHELL IN LINE WITH

### 1 CIRCULARITY
